The objective of The Walk is to inspire, challenge, and equip local church members for Christian action.

President’s Letter

Dear brothers and sisters in Christ,

“... To equip the saints, to do the work of ministry, and to build up the body of the Messiah until all are united in the faith and in the full knowledge of God’s son...” Eph 4:12-13

I pray that each of you will be especially blessed during 2017. It has been my privilege to serve on the Secretariat this past year, as President Elect. During that time, I have been reminded that those brothers and sisters that have been elected to serve on the Secretariat bring a great love for the Walk, a love for our Lord, and both wisdom and humility to the Secretariat board meetings. This was certainly true of Steve Cloninger who has completed his three-year term as the President Elect, President, and Past President. Steve brought patience, wisdom, love and humility to the Secretariat meetings. He also did a great deal of work this last year, revising the advocate manual, director’s manual, and other manuals as well. Steve’s leadership will be missed on the Secretariat. This can also be said of Kelly Zielke who served as President this past year, and now assumes the role of Past President where her dedication and passion for this community will continue. For myself, it is with both humility and excitement that I start 2017 as the President of the Secretariat.

For those that do not know me, I am often referred to as Mr. Sarah Beyersdorf, but actually have my own identity. I made my walk in 1992 (#68) at Audubon Park United Methodist Church, in Spokane, Washington. Like many of you, my Walk was a pivotal moment in my life as it was the beginning of my personal relationship and walk with our Lord and Savior Jesus Christ! I served on the Secretariat some time ago when Sarah and I held the north trailer supply position. Subsequently, I was privileged to direct a Men’s Walk and have been honored to serve in both the background and foreground on numerous occasions. One of the greatest gifts of the Walk, for me, has been the many dear brothers and sisters whom I’ve had the opportunity to know. Only Jesus can bring people from different backgrounds, races, locations, and socio-economic situations into loving relationships.

In my first President’s message, I wanted to share a vision I’ve had for some time. I received permission from the Secretariat last year to investigate the formation of an endowment fund for the Walk With Christ. Although God has always been, and always will be, faithful in providing for the Walk With Christ, I think He also calls us to be good stewards to His Walk as well. I think many of us would like to give back to the Walk in a tangible way to show our appreciation for the life change that the Walk began in us and to ensure that this experience will be available for years and generations to come. Thus, I believe many of us would like to make regular donations to the Walk With Christ or potentially gift the Walk out of our estate.

While I am not seeking to start an endowment fund for any specific purpose, I do have concerns about the Walk’s future ability to obtain churches for our Walk weekends. Increasingly, the mainstream denominational churches we have depended upon are failing and closing. Those mainstream churches which are thriving, frequently have multiple active ministries which they cannot close to host our Walk weekends. Those evangelical churches which seem to be growing and thriving, frequently are in buildings which do not contain a commercial kitchen, nor could they close their ministries for the required weekends either. Thus, I think it will be increasingly difficult to find churches to host Walk weekends in the future.

Many years ago, one of the initial Walk warriors by the name of Dave Vehling shared his vision of building a retreat center for the Walk. I’ve always kept this vision in the back of my head, and have recently had this vision affirmed in my prayers. I believe that there may come a time when the Walk would want to purchase one or two churches as they come up for sale. We could use these facilities for our Walk weekends, Journey weekends, Secretariat meetings, and fill them with vital ministries in the communities where they were located. Therefore, I could see a time when the Walk With Christ would want to use its endowment fund to fulfill this vision.

I look forward to your comments about my vision, and to serving as President of the Secretariat in this coming year. As always, mostly I look forward to spending time with my cherished brothers and sisters in Christ.

Your brother in Christ,
Steve B (favorite Steve)

The focus of The Walk With Christ community is not on itself, but on the local church. The objective of the “Walk” is to inspire, challenge, and equip local church members for Christian action, in their homes, churches, places of work and communities. The weekend is a 3-day (72 hours) experience that begins Thursday evening and concludes Sunday evening.

The Gospel of St. Luke relates the story of the risen Christ appearing to two who were walking along the road from Jerusalem to Emmaus (Luke 24:13-35). This story provides the image for The Walk With Christ Weekend that calls for and renews Christian discipleship.

Two friends were walking together. They were sharing their deepest hearts' concerns. The risen Christ joined them and explained the scriptures as they walked; how it was ordained that Christ should suffer and so enter his glory. This experience on the road was a heart-warming experience as the risen Christ walked and talked with them. The illuminating climax of the experience was when Christ took the bread and said the blessing, then broke it and gave it to them. The two had their eyes opened and they recognized him as the risen Christ.

The Walk With Christ is centered in the weekend experience. This “Walk” is with friends; the scriptures are explained in such a way to bring light and understanding to our needs. For many, it will be a heart-warming experience. Many will share so deeply in worship and Holy Communion that their eyes will be opened and see the risen Christ. Participants will study, discuss, and experience God's grace in community. The context will be in 15 presentations led by lay and clergy around the theme of God's grace and how that grace comes alive in the Christian community and expresses itself in the world. This grace will become personal in small communities through a unique approach to table group discussions. Those attending the weekend personally experience God's grace through prayers and acts of service of a living support community. One of the primary strengths of The Walk With Christ is the follow-up activities.

There are two expectations of a person following his or her "Walk With Christ":

1. Expand his/her own inner spiritual life.
2. Become a more active disciple of Christ in the World through his/her church.

**Statement of Faith**

We believe in the inspired Word of God and the Holy Scriptures as our authority of faith and practice.

We believe in the Holy Trinity as one God manifested in three persons: Father, Son, and Holy Spirit. God is our Father, Creator, and Sustainer of all life. Jesus Christ is true God and true man, and He is the only way to the Father because of His unique birth, life, death, resurrection, and ascension. The Holy Spirit is equally God whose ministry is to convict, indwell, and empower every Christian.

We believe man (Genesis 5:1-2) was created in God's image, but through Adam's fall we inherited a sinful nature. Personal salvation is attained only through acceptance of Jesus Christ as our Personal Savior. Discipleship, growth, and accountability in Christ and the Church are necessary for every believer.

We believe in God's prevenient, justifying, and sanctifying grace which draws us into divine relationship — that it must be claimed as an act of faith, and is then perfected through the power of the Holy Spirit. Baptism and Holy Communion are the outward and visible signs of this inward and spiritual grace.

We believe that the local church is Christ's witness to the world. We believe The Walk With Christ Weekend supports the local church by nurturing and encouraging dedicated Christian leaders by promoting unity, inspiration, and fellowship in Christ.

All individuals elected to leadership positions in The Walk With Christ community are first nominated by a pilgrim. The Nominations Committee, which reports to the Secretariat, receives and reviews these nominations to provide assurance that they meet the required criteria. Once this has been done, the nominations are presented to the Secretariat, which discusses and votes on them, after prayerfully seeking guidance.

Nominations and elections are held at least six months (longer, if possible) prior to the Walk being considered. Every nomination will be deliberated upon for up to three consecutive Secretariat meetings and then must be re-nominated for further consideration. A nomination form is not maintained past the third Secretariat meeting at which it is considered. If you have any other questions regarding the nomination process, please ask any Secretariat member.
