The objective of The Walk is to inspire, challenge, and equip local church members for Christian action.

President’s Letter

Greetings to all my Walk With Christ brothers and sisters,

For me, one of the best parts about working a Walk with Christ weekend is being back in a community of Christian brothers. The Walk With Christ is the only place where I have authentic and in-depth relationships with other committed Christians. Along those lines, I’ve been studying the history of our Walk With Christ ministry using a book entitled *The Cursillo Movement in America - Catholics, Protestants, and Fourth Day Spirituality* by Kristie Nabhan-Warren. The Cursillo movement was founded by Eduardo Bonnin in 1944 on the Island of Mallorca, Spain. One of the things that has impressed me about our early history is that the initial weekend retreat was not the primary focus of the Cursillo. Rather, the rest of the days following the Cursillo, which were called the Fourth Day, was the emphasis for the Cursillo movement. The history indicates that Eduardo Bonnin and the men who had made a Cursillo met nightly in the village to discuss their faith, and hold one another accountable.

Obviously, we don’t live in a small village on a Spanish island, and can’t meet nightly with our Walk With Christ brothers and sisters. However, it was always intended that those of us who had made our Walk With Christ would continue meeting together in Reunion Groups, Ultreyas, and Grand Ultreyas as part of our Fourth Day commitment. The Secretariat has been concerned that this part of our Walk With Christ has not received the emphasis and attention it deserves. Therefore, under the leadership of Kelly Zielke, the Secretariat has voted to expand the Secretariat by including a position of Fourth Day Community Liaison. This position will be a full voting member of the Secretariat, with a two-year term of appointment. Their area of responsibility will be to:

1. Provide leadership to reunion group development and support the WWC community.
2. Assist local Ultreya leaders in group promotion and attend their events when necessary.
3. Develop, plan, and implement the Grand Ultreya.
4. Provide support and mentoring to a new liaison.

The Secretariat recognizes that there are localities with vibrant Fourth Day communities, as well as communities without any organized Fourth Day activities. Our prayer is that we can learn from those areas with vibrant Fourth Day communities and replicate these throughout the region we serve. Therefore, the Secretariat is seeking nominations for this new position of Fourth Day Community Liaison. I would encourage you to apply if you are interested in this position in ministry. I would encourage each of us to contact and nominate anyone they see as providing leadership in this important area of ministry. Nominations should be submitted through the Nominations Committee chaired by Tim Harris. Please use the Secretariat Officer Nomination Questionnaire found on the website.

Your brother in Christ,
Steve B
NOMINATIONS NEEDED FOR THE FOLLOWING SECRETARIAT POSITIONS:

President Elect  Treasurer*  Candidate Registrar*
North Community*  South Trailer

Those marked by an asterisk have served 2 terms (the maximum) and need your help - they cannot serve another term according to our bylaws. Time is running out since these will need to be voted on at the November 4th Secretariat meeting.

Remember, the Secretariat is as vital to The Walk With Christ ministry as the Walk weekends themselves. The community (that is all of us) has a responsibility to support the Secretariat, not only with our prayers, but also with our time and talents. If you (you can volunteer yourself!) or someone you know can serve in this important and rewarding aspect of the ministry, then please get those nominations mailed in.

If you would like more information regarding the duties of any Secretariat position, or would like to fill out a Nomination Form, then please visit the website under Community Resources/Secretariat or don’t hesitate to contact any Secretariat member (contact information is below).

THE IMPORTANCE OF OVERSIGHT

For the first twenty-five years of the existence of the Eastern Washington Walk to Emmaus, the Upper Room of the national office of the United Methodist Church was tasked with providing oversight of our community. It was to hold us accountable to the purposes for which we were created and for which we continued to exist. When our relationship with the national Walk to Emmaus was severed, the umbrella of the Upper Room vanished for us.

Shortly after we became independent, leaders of our community identified the void in our organizational structure created by the absence of the Upper Room. During its meetings in 2006, the Secretariat conceived a new committee, one which was to provide the oversight which the Walk With Christ (our current name) was lacking. The committee was to hold the Secretariat accountable for maintaining the integrity of the Walk as we have known it. It was perceived that pastors who are asked to approve some of their parishioners to make walks would benefit from the assurance that an umbrella sort of committee could provide. Of course, that assurance would bless the entire Walk With Christ community as well.

The Secretariat then modified the By-Laws to add the Oversight Committee to the organization of the Walk With Christ. This group has no right or obligation to make policies or to create procedures. It is to serve strictly as an advisory committee, monitoring the activities of the Secretariat to determine its compliance with the By-Laws and traditions of the Walk. By Appendix C of the By-Laws, the committee is to meet at least once annually – more often, if necessary – to review the minutes, the By-Laws, and the financial reports of the Walk. In addition to this, the committee is to serve as an intermediary in the event that a member (or members) of the community requests reconsideration of a Secretariat action or decision. Although it has neither the power nor the authority to reverse any Secretariat action, the committee may (after hearing from all parties) submit to the Secretariat a proposed course of action or decision.

The pilgrims who have served on this committee have done so without the notice or recognition of most of the Walk community. These dedicated people believe that it is important that the stewardship of the Walk has great integrity. In July of 2007, at the request of the five committee members, the name of the group was changed to the Overseer Committee. They continue today to hold the Walk accountable, so that the community can trust that the Secretariat is remaining true to the model and that sweeping changes will not be made without the knowledge and consent of the Walk community.

Photographers Needed

The Secretariat is looking for some additional photographers qualified in taking large group photos.

Qualifications and Guidelines to be considered as a Walk With Christ photographer and be put on the list to be called to take the photograph for a Walk:

1. You must use additional lighting equipment. Some church sanctuaries are very dark, especially when taking a group picture of 100+ people.

2. You must use a digital SLR camera because the photograph needs to be printed in 8x10 format.

3. Submit a group photo to the President of the Secretariat: sbeyersdorf@msn.com
Nominations, Nominations, Nominations!

Thank you to everyone who has made a nomination for Director(a), Secretariat, or a committee position. Please remember that we are in continuous need of nominations for Directors and Directoras!

After you’ve made a nomination, it may seem as if you’re surrounded by the cone of silence for many months. The Secretariat wanted to explain the nomination process, and has made a commitment to keep each of you apprised of the status of your nominee. Initially, a nomination is submitted to the Nominations Committee and they will seek a pastoral reference for your nominee. Once the nomination is complete, it will be submitted to Secretariat for consideration. Our tradition is to have three nominees before we can vote to select a Director(a). Each nominee can be submitted a total of three times before the nomination must be resubmitted. Therefore, your nomination could be waiting in line to be submitted for Secretariat’s consideration or in the process of being considered by Secretariat for many months. The Secretariat and the Nominations Committee will notify each nominator when the application is complete, when the nominee was considered by Secretariat, and the action of Secretariat.

Hopefully, our communication process will now keep you well informed about the status of each person you’ve nominated. I would also ask that each of us regularly be in prayer for persons we could nominate as Director(a), as well as Secretariat members and committee members. Each of these positions is essential for the Walk With Christ to continue, and is very rewarding for each of us that serve.

Remember these words of commitment:
CHRIST IS COUNTING ON YOU!

The focus of The Walk With Christ community is not on itself, but on the local church. The objective of the “Walk” is to inspire, challenge, and equip local church members for Christian action, in their homes, churches, places of work and communities. The weekend is a 3-day (72 hours) experience that begins Thursday evening and concludes Sunday evening.

The Gospel of St. Luke relates the story of the risen Christ appearing to two who were walking along the road from Jerusalem to Emmaus (Luke 24:13-35). This story provides the image for The Walk With Christ Weekend that calls for and renews Christian discipleship.

Two friends were walking together. They were sharing their deepest hearts' concerns. The risen Christ joined them and explained the scriptures as they walked; how it was ordained that Christ should suffer and so enter his glory. This experience on the road was a heart-warming experience as the risen Christ walked and talked with them. The illuminating climax of the experience was when Christ took the bread and said the blessing, then broke it and gave it to them. The two had their eyes opened and they recognized him as the risen Christ.

The Walk With Christ is centered in the weekend experience. This “Walk” is with friends; the scriptures are explained in such a way to bring light and understanding to our needs. For many, it will be a heart-warming experience. Many will share so deeply in worship and Holy Communion that their eyes will be opened and see the risen Christ. Participants will study, discuss, and experience God's grace in community. The context will be in 15 presentations led by lay and clergy around the theme of God's grace and how that grace comes alive in the Christian community and expresses itself in the world. This grace will become personal in small communities through a unique approach to table group discussions. Those attending the weekend personally experience God's grace through prayers and acts of service of a living support community. One of the primary strengths of The Walk With Christ is the follow-up activities.

There are two expectations of a person following his or her "Walk With Christ":

1. Expand his/her own inner spiritual life.
2. Become a more active disciple of Christ in the World through his/her church.

Statement of Faith

We believe in the inspired Word of God and the Holy Scriptures as our authority of faith and practice.

We believe in the Holy Trinity as one God manifested in three persons: Father, Son, and Holy Spirit. God is our Father, Creator, and Sustainer of all life. Jesus Christ is true God and true man, and He is the only way to the Father because of His unique birth, life, death, resurrection, and ascension. The Holy Spirit is equally God whose ministry is to convict, indwell, and empower every Christian.

We believe man (Genesis 5:1-2) was created in God's image, but through Adam's fall we inherited a sinful nature. Personal salvation is attained only through acceptance of Jesus Christ as our Personal Savior. Discipleship, growth, and accountability in Christ and the Church are necessary for every believer.

We believe in God's prevenient, justifying, and sanctifying grace which draws us into divine relationship — that it must be claimed as an act of faith, and is then perfected through the power of the Holy Spirit. Baptism and Holy Communion are the outward and visible signs of this inward and spiritual grace.

We believe that the local church is Christ's witness to the world. We believe The Walk With Christ Weekend supports the local church by nurturing and encouraging dedicated Christian leaders by promoting unity, inspiration, and fellowship in Christ.

The Walk With Christ
Director/Directora Nomination Questionnaire

All individuals elected to leadership positions in The Walk With Christ community are first nominated by a pilgrim. Nominations and elections are held at least six months (longer, if possible) prior to the Walk being considered. Every nomination will be deliberated upon for up to three consecutive Secretariat meetings and then must be re-nominated for further consideration. A nomination form is not maintained past the third Secretariat meeting at which it is considered. If you have any other questions regarding the nomination process, please ask any Secretariat member.
